

ALBANIAN AMERICAN RELATIONS COUNCIL

STATEMENT ON KOSOVO'S PARLIAMENTARY ELECTIONS

The **Albanian American Relations Council (AARC)** commends the people of Kosovo for their exemplary participation and conduct in the recent free and fair elections. Kosovo continues to set the highest standard in the region, demonstrating an unwavering commitment to electoral transparency and democratic principles.

AARC congratulates the winning coalition of Vetëvendosje!, Guxo, and Alternativa on their decisive victory. We also recognize the opposition parties—PDK, LDK, and AAK—for running strong and principled campaigns, offering voters viable and diverse alternatives. With the elections concluded, it is now imperative that all parties work swiftly and collaboratively to form the new government in accordance with Kosovo's Constitutional process.

We urge the incoming government to take immediate and decisive action to ensure the lifting of EU sanctions and to advance Kosovo's accession to NATO.

Most importantly, we strongly encourage the new government to expand its diplomatic presence and engagement in Washington, D.C. This includes securing high-level meetings with key U.S. policymakers and decision-makers, strengthening Kosovo's global standing, and working diligently to align strategic interests with those of the United States.

AARC remains deeply committed to strengthening the bond between the United States and the Albanian people. We stand ready to collaborate with all stakeholders to advance this shared mission.
